Conference: H.C. Wainwright Global Investment Conference

Date: May 24, 2022

Time: 4:30 p.m. EDT

Location: Miami, FL

Presenter: Ashlee Dunston, Director, Investor Relations and Corporate Communications

Format: Corporate Presentation

In addition to the presentations, company management will be available to participate in one-on-one meetings with investors who are registered attendees of the conferences. Following the events, a replay of each presentation will be available on the Investor's section of the company's website at www.atyrpharma.com.

About aTyr

aTyr is a biotherapeutics company engaged in the discovery and development of innovative medicines based on its proprietary tRNA synthetase biology platform. aTyr's research and development efforts are concentrated on a newly discovered area of biology, the extracellular functionality and signaling pathways of tRNA synthetases. aTyr has built a global intellectual property estate directed to a potential pipeline of protein compositions derived from 20 tRNA synthetase genes and their extracellular targets. aTyr's primary focus is efzofitmod, a clinical-stage product candidate which binds to the neuropilin-2 receptor and is designed to downregulate immune engagement in inflammatory lung diseases.
