aTyr Pharma to Present at the Stifel Healthcare Conference 2019

November 13, 2019

SAN DIEGO, Nov. 13, 2019 (GLOBE NEWSWIRE) -- aTyr Pharma, Inc. (Nasdaq: LIFE), a biotherapeutics company engaged in the discovery and development of innovative medicines based on novel immunological pathways, today announced that Dr. Sanjay Shukla, President and Chief Executive Officer of aTyr, will be presenting at the Stifel Healthcare Conference 2019, which is being held November 19-20 in New York.

Dr. Shukla is scheduled to present on Wednesday, November 20 at 4:45pm EST. A live webcast of the presentation will be available on the Investors section of the Company's website at www.atyrpharma.com.

About aTyr

aTyr is a biotherapeutics company engaged in the discovery and development of innovative medicines based on novel immunological pathways. aTyr's research and development efforts are concentrated on a newly discovered area of biology, the extracellular functionality of tRNA synthetases. aTyr has built a global intellectual property estate directed to a potential pipeline of protein compositions derived from 20 tRNA synthetase genes. aTyr is focused on the therapeutic translation of the Resokine pathway, comprised of extracellular proteins derived from the histidyl tRNA synthetase gene family. ATYR1923 is a clinical-stage product candidate which binds to the neuropilin-2 receptor and is designed to down-regulate immune engagement in interstitial lung diseases and other immune-mediated diseases.
